The background features a light teal color with faint, intricate circuit-like lines and arrows. A large, textured purple circle is positioned in the upper right area, partially overlapping the circuit lines.

**At Withum, we care about our team members and want to help them succeed. We think hiring is the first step in investing in our people so we've put together some "Dos and Don'ts" for your in-person interview.**

# DO

## RESEARCH.

**Find out more about Withum.** Study up on the business, our clientele, and the industry. The information acquired will enable more in-depth discussion during your interview.

**FOLLOW US ON SOCIAL MEDIA!**

# DON'T

## **Lie About Your Background.**

Speak truthfully about your skill-set and your education. If a shortcoming is brought up during the interview, be forthright and let the hiring manager know that you are eager to learn more about it or how you'll improve in this area. Give an example how you took a weakness and turned it into a strength.

# DO

## **Give Yourself Plenty Of Time.**

If the office location is foreign to you, make a practice run there and account for traffic on the day of your interview. Allow more time to locate parking, etc.

**DRESS FOR SUCCESS!**

# DO

## **Be Yourself.**

Be prepared to tell the hiring managers about yourself on a professional and personal level.

Always remember to ask lots of questions during interviews about the role, the firm's culture, the industry, and the line of business.

The background is a light teal color with a complex, faint technical drawing or circuit board layout. It features various geometric shapes, lines, and symbols, including circles, rectangles, and arrows, all in a slightly darker teal shade. The drawing is oriented diagonally, creating a sense of movement and technical precision.
